Chair Update

Committee Succession: GG confirmed that there were still a number of key roles that needed to be stood for at the AGM at the Nationals. Those present discussed potential names to approach to ask if they would step forward for roles.

Events Update

Nationals: TJ confirmed that everything was in order for the Nationals and that the sub-committee that had been working on the event had put a lot of hard work into it. The committee documented their thanks for all their efforts, particularly Robin Mecklenburgh.

Marketing Update

There were no updates to report.

International Update

TC confirmed that both events were successful from the point of view of parents and class organisation. It was noted that logistically it worked better this year and the committee thanked the support of the Bosun group in terms of their efforts in ensuring that the trailers were in a good state of repair.

TC commented that the sailor's behaviour was impeccable; there was one small incident but this was dealt with successfully. TC wanted to ensure that the sailors were thanked for representing the class in such a positive way.

TC stated that there were a lot more parents helping with the logistics this year and that made a massive difference in terms of the success; GG stated he would write to everyone who had helped to thank them for their efforts.

TC confirmed that from a budget point of view costings had come in very close to budget. SDG and TC will work with MP to finalise the costs and in line with class policy request any additional funds and refund any funds over £25 to sailors.

Training Update
